Hi Marie,

I wanted to let you know that Dave McNeil did contact me and let me know about his visit to Pineview. He let me know the focus of his visit was to see if there were any off-allotment impacts resulting from the complaint (he understood NDEP did not have regulatory authority on the allotment. fyi...He saw no issues, and smelled no wastewater during his visit after Briscoe Sanderson willingly gave him a walk-through of the facility. Mr. McNeil also stated that a lot of complaints they receive are the result of grudges and have no basis.

I am planning a visit to Pineview Estates ideally for January 5th or 6th (I haven't finalized this with Briscoe Sanderson). I can stop by your office to discuss Pineview, Deer Lodge Park, or any other topics if you'd like.
